

## Alebrije

### Non Vintage Red Blend

(Cabernet Sauvignon/Sangiovese)

This classic Red Blend combines the smooth, juicy plum fruit of Sangiovese and the structure and earthy, herbal notes of Cabernet Sauvignon. This medium bodied wine is supple and fresh tasting yet has the tannic structure to cut through the heartiest of red meats. Sweet plums and cherries with tobacco-like oak spice and a nuanced finish.

Alebrije: a brightly colored mexican sculpture of a mythical animal. The idea for Alebrije was born following a spiritual encounter with a hawk while visiting Hassayampa Vineyards to plan the harvest of some of the grapes used in this wine. The vineyard owner's son had passed away unexpectedly not long before, and that chance meeting with what I felt was his spirit animal inspired me to create this wine for him. As vibrant and spirited as the man himself, this old world style red blend of Sangiovese and Cabernet Sauvignon also pays homage to my wife's love of all things Tuscan.

Harvest date- October

#### Tech Notes:

Alcohol by volume (ABV) 14.8%

pH 3.8

Titrateable Acidity 5.9 grams/liter

Residual Sugar 30 mg/100ml
